Seventh War Loan Starts May 14th

Victory Day Is Just A Work Day For Community

V-E day (Tuesday) in Daly City was quiet and little different from other week-days, except that it seemed more like a Sunday. With only a few exceptions, people went about their accustomed duties, content to observe it as a day of prayer rather than one of wild celebration; and intent only on doing their best towards speeding up the day when final victory over Japan may be announced.

Taverns and liquor stores remained closed all day, through orders issued recently by the State Board of Equalization banning sale of intoxicating liquors. Groceries and other stores engaged in sale of beer and wines displayed prominent signs, "No beer or wines sold today."

Three of the four restaurants in Daly City business section Peter's Lunch, Theater-Grill and Signal Coffee Shop opened for business as usual. The Daly City Coffee Shop was open until noon, but served only short orders and breakfast dishes.

Other businesses remained open all day, this group including both branches of the Bank of America and the Daly City postoffice. This was in accordance with President Truman's request that all workers remain on their jobs.

Ban Is Placed On Taking Mussels

A quarantine order forbidding the gathering of all mussels from the ocean shore of California, extending from the California-Oregon boundary south to the California-Mexican boundary, including the Bay of San Francisco was issued by Dr. Wilton L. Halverson, M. D., director of public health.

This ban is placed annually because mussels become highly poisonous from taking in a minute organism the gonyaulax, which is present in Pacific coastal waters during the summer months.

Many people are poisoned and many deaths occur each year among persons who violate this ban. Last year there were 12 cases of mussel poisoning with two deaths among persons who ignored this warning.

Grace Church To Hold Special Services

There will be special services, both the morning and evening worship services at the Grace Presbyterian church, Hanover and Evergreen streets on Mother's Day, May 13.

In conjunction with the evening service at 7:45, seven stages of womanhood will be presented with living pictures. Special music suited to each picture will be played.

The public is invited to attend.

Keep Appointment! Urges Red Cross

Keep your blood appointment! Four hundred and sixty-five people have failed to keep appointments to give blood through the Red Cross since January 1 of this year.

The fact that the war is over in Europe does not mean that the need for blood in the Pacific has diminished. The need is as great and as urgent as ever.

When an appointment is made with the Red Cross Blood Donor service that appointment is designated as part of the quota to be reached by this community. Failure to keep the appointment means that the quota expected by the military from San Mateo county cannot be sent and may mean the matter of life or death to some wounded man.

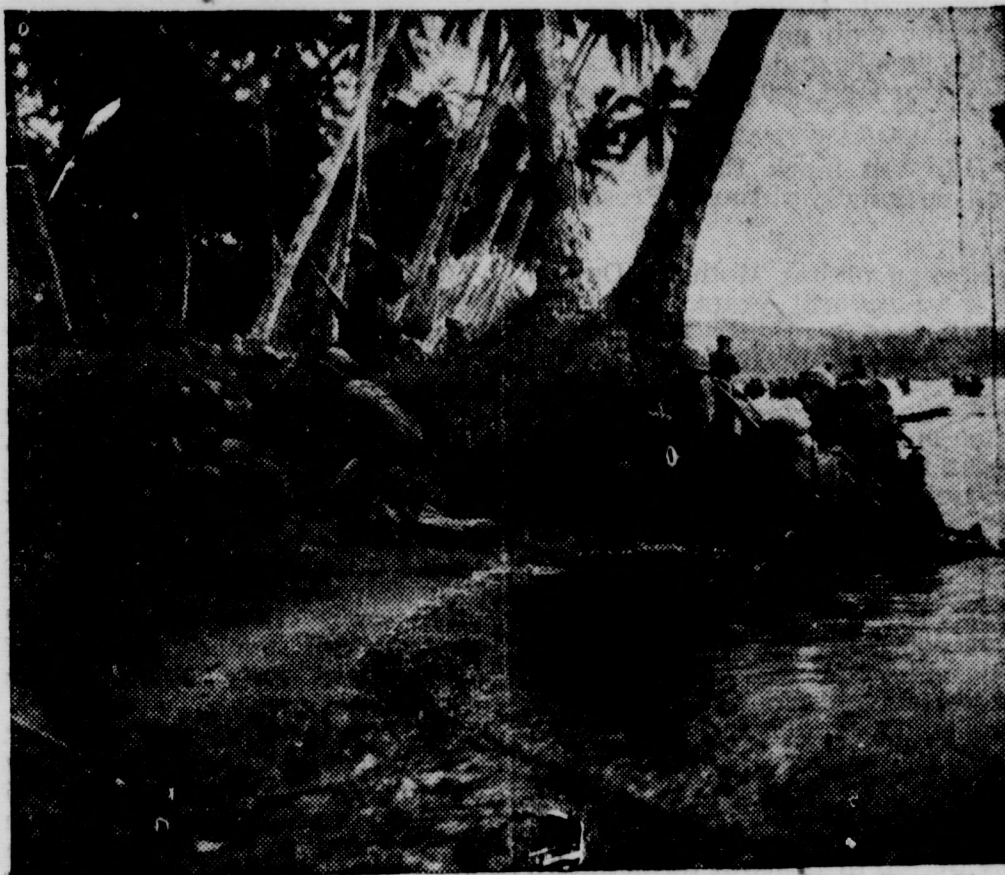

D. C. Juniors Win Championship

Daly City Juniors, managed by Louie Marioni, won the championship of the San Francisco Recreation Department's Class A Winter leagues by defeating Juniors Seals, 9 to 6, at Jackson diamond Sunday afternoon.

The Daly City lads won the championship of the National League, defeated Sausalito Fuel and Ice Co., Pacific Coast League champs, in a one game playoff last Sunday, 9 to 6, and in turning back the Junior Seals, American Legion champs Sunday, won full claim to the Class A Division title. Playoffs had to be limited to one game, in order that contending teams may be permitted to start on their summer campaigns.

Daly City batters secured 12 hits of Cotta, Junior Seals hurler. Left fielder Plique and second baseman Shaughnessy led the way with three each, and Marioni and center fielder Napoli secured two each. Meanwhile Walt Lister jr. kept six Junior Seals hits well scattered.

"Biggest Attendance Ever" Is Report On Firemen's Ball Saturday Night

Daly City people turned out for the annual dance for the benefit of the Widows and Orphans Association of the Daly City Fire department last Saturday night in a really big way. Attendance at the event held at the Lovchen Gardens in Colma was so great that facilities were strained to the utmost to take care of it, Chief A. P. Chesney said this week.

Chesney would not estimate the size of the crowd, but said it was by far the largest turnout of any of these events. Preparations had been made to handle a thousand persons, but the huge outpouring for exceeded that figure, he said. "Many people came out, saw the crowded conditions, and turned away without coming in," he continued. "In addition, we sold several hundred tickets holders of which were prevented from attending because of various reasons."

Literally swept off their feet by the unprecedented support of the people, members of the department have, through Chief Chesney issued the following statement thanking the people and apologizing for crowded conditions:

"The Widows and Orphans Association of the Daly City Fire department wishes to take this opportunity to thank our many friends who purchased tickets, patronized our program, and attended the dance.

"We would like to apologize for the crowded conditions of the hall, but the large attendance was more than we expected for the size of the hall.

"We also would like to thank the Daly City Record for the splendid publicity so generously given to make the dance such a success.

"Thanking everyone again for our successful dance."
(Signed) Chief A. P. Chesney,
Chairman General Committee.

Peninsula Police Offer Six Weeks Course

In cooperation with the Federal Bureau of Investigation, the Peninsula Police Officers' association is now conducting a school of police science at San Mateo Junior college.

The six weeks course, which started Monday, is elective to any police officer. Secretary John J. Hartnett of the association said. Two classes are being held each day, one from noon to 3 p. m., the other from 7 p. m. to 10 p. m.

Daly City Given Large Quota For "Mighty Seventh"

Next Monday, May 14 the people of Daly City, together with their fellow-Americans in every other city, town and village of the nation, will be called on to do their share toward providing Uncle Sam with the financial sinews for continuing the Jap war to victory.

The Seventh War Loan drive opens on that day and in this city, as everywhere else throughout the country, men, women and children will rally to the nation's call.

Daly City's quota has been set at \$196,300.00 of which \$175,000.00 must be purchased by individuals in the popular E bonds, the people's bonds.

The latter represents an increase in the obligation placed upon individuals. Because of that added responsibility, however, the Treasury department, through its War Finance division, has given the people a longer period—seven weeks—in which to meet their quota. The added amount, too, is justified by the fact that this year there will be only two instead of the usual three bond campaigns.

Organization of individuals and organization of this city, to meet war bond responsibilities, has been going on for weeks under the direction of Walter Lehigh, chairman of the 7th War Loan drive in Daly City.

Bonds sold from April 30 to May 5 totaled \$3,618.75, while total bond sales to date reached the sum of \$20,441.75. This amount, although turned in before the official opening date of the drive, will be counted toward Daly City's official Seventh War Loan drive quota.

Judge Cotton Re-appointed As War Chest Head

Judge Aylette R. Cotton of the San Mateo County Superior court will be chairman of the San Mateo War Chest campaign for funds for the second consecutive year, according to an announcement made recently by Ira H. Potter, chest president.

"Judge Cotton performed his duties as chairman of the 1944 drive in a commendable manner," said President Potter, "and it is with a great deal of satisfaction that I am enabled to announce his acceptance to serve for the forthcoming drive in 1945."

In accepting the chairmanship Judge Cotton said "I would be remiss in my duty as a citizen if I did not undertake this service. The San Mateo County War chest functions for both the home front and war front and so, along with many other citizens of this county, I deem it a privilege to give my services to this worthy cause."

The War Chest drive will open in October, the date to be announced shortly by the executive committee. Captain Lorne G. McAloney, executive secretary of the chest, is now formulating plans for the 1945 fund drive.

Mrs. Eleanor Matthews Is Killed In Accident

Mrs. Eleanor Matthews, the former Eleanor Talbot, 21 years of age, was killed in a motorcycle accident Friday, April 27, at Long Beach, Washington.

Mrs. Matthews attended the Woodrow Wilson and the Jefferson Union High schools, graduating from both schools. Since marriage about five years ago she has been living in Ocean Park, Washington, with her husband Theodor Matthews and her two small children.

Her mother, Mrs. Lydia Talbot, lives at 244 Westlake avenue and brother, Sgt. William Edward Talbot of the United States Army Air Corp. is stationed in the Philippines.

ANOTHER WAR TO BE WON

The collapse of organized resistance in Germany does not mean that the war is over. The war was not confined to Europe. Out in the Pacific there is still a war to be won. This is not the time for relaxing and "coasting in" to final victory.

From what we have seen in the years of battling with the Japs, we can't afford the foolish luxury of thinking that they'll be pushovers even when the combined Allied forces concentrate on them.

First of all, we must stay on the job and keep the vital supplies on the move to the Pacific war zone. To quit now would be no different than for the soldiers spearheading the attack to lay down their arms and say, "Let somebody else finish the job. We've done our part."

Second, we must continue to buy War Bonds. The cost of the fight in the Pacific alone runs into astronomical sums. And don't forget that another big reason for buying Bonds is to help avoid inflation which could be as destructive, in its own way, as bombs and shells.

In addition to these things, let us continue to donate blood to the Red Cross and to support all activities which aid the war effort.

The men who are bombing Japan, who are sailing the trackless Pacific in cargo vessels or fighting ships, who are establishing new beachheads, who are blasting the Japs out of concrete pill boxes in foot-by-foot advances—these men are counting on us to carry on here at home.

To them the war is not over. It won't be until there isn't another Nip left who wants to die for Hirohito. So let us see this thing through with all our energy and determination.

If we do, more of our boys will come back from the Pacific—alive!

Mother's Day

"Mother."

A simple word. Yet it touches the heart of every individual with the feeling of tenderness and love. It recalls from the storehouse of memory the patient kindness of the one who guarded him in his earliest years, guided him through the "trials and tribulations" of adolescence, and instilled in him the love for God, and respect toward his fellowmen.

Mother's Day, on Sunday, May 13, will mark the thirty-first anniversary since it was first observed nationally through President Wilson's proclamation.

The end of the great battles in Europe makes Mother's Day of 1945 more joyous than those of the past several years. American mothers are aware that their sons still face a mighty task in the Pacific, but they are confident that the job will be finished and the final victory won.

But, today these mothers pray not only for military success of their sons, but for their final victory at the peace table, so that the mothers of another generation may never have to see their sons march off to war.

War Bonds—Peace Bonds

With the Seventh War Loan drive scheduled to begin officially on May 14, there is little that can be said which has not been said before as to the reasons why every American should buy War Bonds to the limit of his financial capacity.

A recent editorial in the Brentwood News expressed a logical and refreshing approach on the subject of buying War Bonds. It declared, "... by buying Bonds to the limit of our resources at this time, we may be also ensuring a stable period of postwar adjustment. If we shirk our responsibility to buy War Bonds, the war effort will not break down; other methods, less agreeable methods, will be applied to finance the war. On the other hand, if we dissipate the money which could go to the purchase of Bonds in wasteful spending, we are asking for trouble later on, not only for ourselves but for the men who are fighting for us.

"The picture," concludes the News, "of buying Bonds to supply your boy with a gun and with ammunition to shoot at the enemy is a colorful one, but it is somewhat puerile in contrast to the picture of making ready to bring our fighting men back to a land where conditions are healthy, and to opportunities to get back into civilian life which offers them self-respect and a solid and acceptable prosperity."

So the Bonds we buy are Peace Bonds as well as War Bonds. They help win the peace as well as the war. Let us invest in a prosperous peace both for our servicemen and ourselves. And let us do it today. Banks, stores and other War Bond agencies will gladly serve us.

Borneo Invasion

Almost lost in the bushels of historic war news that has been pouring in is the significance of the Borneo invasion by General MacArthur.

It means that we should soon be collecting some "dividends"—rubber, oil, tin—on our long battle in the South Pacific. It also means that the Japs' stolen empire is due to come apart at the seams—but quickly!

During peacetime the rich East Indies and the adjacent Southeast Asia mainland supplied 90 per cent of the world's rubber, 85 per cent of the pepper, 65 per cent of the tin, and 17 per cent of the oil.

The fact that the United States consumed two-thirds or more of the world's annual rubber production makes it clear why the enemy conquest of the East Indies and the shutting off of the rubber supply from that source had such far-reaching effect on the nation's transportation.

Until that time we had not realized the extent to which we had come to rely on rubber. Our millions of automobiles had become necessities. This was true also of our millions of trucks.

But while the East Indies were sealed off we built a billion dollar synthetic rubber industry. The question is: Will natural rubber regain its former place or will the synthetic product compete successfully?

The conquest of these fabulous islands will bring new supplies of needed materials, but it will also bring, before very long, a shift from shortages to surpluses. Then we will face the economic problems which must be solved in the interest of a lasting peace.

Another Promotion For Genevieve Blue

Many Daly City friends will learn with interest that Miss Genevieve Blue, formerly connected with the South San Francisco Office of Price Administration, but for the past few months, chief clerk at the Burlingame-San Mateo office, has received another promotion, this time to chief clerk at Board 3 in San Francisco.

Chairman Dan Minto of the San Mateo County branch of the OPA announced the promotion last week. It will become effective this week.

Miss Blue will be succeeded as chief clerk at the Burlingame-San Mateo office by Mrs. Elizabeth Moore of 1422 Bellevue avenue, Burlingame. Mrs. Moore was until August 25, 1944, connected with the OPA.

News From Local OPA Board

HOME CANNING SUGAR—Effective May 1, 1945, the following changes in home canning sugar program have been made: You may obtain maximum allowance of sugar for home canning and preserving for home use NOT TO EXCEED fifteen (15) pounds instead of twenty (20) pounds per person, as previously stated. The "family unit" consisting of more than eight (8) persons may not obtain more than one hundred twenty (120) pounds instead of one hundred sixty (160) pounds for such purposes.

The change has been brought about because the sugar supply available for the balance of 1945 has been seriously curtailed due to decrease in Cuban production and other factors.

MEAT SITUATION: California is now receiving large supplies of fresh lamb. These lambs are from the California genuine spring lamb crop. Your butcher is well supplied with all cuts of lamb. These genuine spring lambs are the finest in the world and you should plan to use lamb very frequently in your menus for the next two or three months. The present lamb season has come at a time when supplies of beef and pork are very short. Use lamb often.

COFFEE: Our supply of coffee is ample to meet all needs, both civilian and military. Not only do we have stocks on hand to carry us for several months, but substantial quantities are purchased and ready for shipment in the 14 producing countries for this hemisphere.

We're drinking now more coffee than we did in pre-war years. Consumption has been rising steadily over the past decade... from about 12 pounds per person in 1932 to 15½ pounds in 1941. After the U. S. entered the war, shipping space for coffee was limited; and in 1942 and '43 civilians were restricted to about 13 pounds per capita for each of these years. In 1944 stocks of coffee were again favorable, and civilian purchases reached an all-time high of 16 pounds per capita.

BUTTER: With ration points high on butter we believe you'll be interested in the following tip from Pennsylvania's Health Department. Butter goes farther if you fool your taste buds, they say. No matter how thin you spread it, you'll get a good butter taste if the bread is turned upside down when eaten.

Navy Issues Statement Anent Mail Difficulties

As the tempo of operations in the far Pacific increase new methods of handling the proportionately larger volume of mail for the Navy commands in these areas have had to be instituted, the Naval Mail Service said today.

Floating post offices have been set up to deliver mail quickly to addresses so scattered because of unexpected changes in operational orders that it is hard to visualize the task.

The complicated logistics of mail are fitted in and are an automatic and integral part of any invasion plan. Skeleton postal equipment, enough to start immediate operations, goes into a new beachhead with the first echelon. With the third echelon, complete mail units, including Quonset huts, personnel, trucks, lights, distribution cases and other supplies, move ashore and a fullscale postal job is under way.

Arrangement for the delivering of mail to particular ships that stay at sea longer and rarely come back to harbor has called for planning on the part of the mail service. For instance, a certain vessel may have been expected back in the Marshall Islands, but may have ended up with a Tokyo-bound task force.

At an anchorage rendezvous spot, four days before the Iwo Jima invasion, a floating post office was set up.

office was set up and letters were delivered to 240 ships of all sizes and classes, including troop ships. Later, it was noted that when those same ships were at Iwo and the men were fighting ashore, a large barge was ingeniously converted into a post office and letters were delivered by landing craft.

The Navy department expects that similar situations may arise frequently. The delivery of first class mail to the far Pacific areas will be done as expeditiously as possible, it has been promised. The same, however, cannot be promised for newspapers and parcel post packages.

It is pointed out that the delivery of bulky items, such as packages and newspapers, takes a lot of valuable space more urgently needed for food, clothing and actual combat items.

Consequently, the Navy Mail service suggests:

1. Since newspapers will be months old before they arrive in the Okinawa area, families should clip items of news interest and enclose them in letter mail, rather than send a whole newspaper.

2. If a man is "guessed" to be in an invasion area, his family and friends should wait for some time before sending any parcel post packages. And if he is known to be in the far Pacific, packages with food or perishables should not be sent at all.

News From Jeff District Schools

Jefferson

Spurred on by the rapid approach of graduation and promotion day, our school children began the last six weeks of this school term with renewed vigor and determination.

A new tin drive began last week and four pupils showed their interest in the coming Seventh War Loan drive by purchasing E bonds which will count toward the school's quota.

Donald Clark, Seaman 1c, gunner on a troopship, spent a day of his shore leave visiting Jefferson. Donald is a nephew of Mr. and Mrs. J. S. Clark of the Capitol Nursery, Colma. Four of Donald's cousins attend Jefferson.

Donald answered many questions about the daily routine aboard a troopship. The children were particularly interested in Donald's description of the bit pots and pans played in preparing food.

Three members of the eighth grade who are Boy Scouts in Troop No. 148 had the privilege and valuable experience of serving as messengers at the peace conference this past week.

The boys were Ronald Crowell, Robert Martinelli, and Raymond Sococa. Their duties took them to the Municipal Opera house and neighboring buildings, thus giving the boys several opportunities of hearing speeches by leading foreign delegates.

The first grade children have just finished their circus work books filled with pictures of circus animals and stories about their homes and habits.

The illustrations were colored and labeled by the children. The books are very attractive and are highly prized by both the children and their parents.

The second and third grade children have started their new unit "Animals." The unit is divided into four parts, domestic animals, wild animals, birds and fish. The children will study "How and Where the Animals Live," "What They Eat," "Their Habits," and "How to Identify Them."

With the help of their teacher the children expect to make some very fine class charts illustrating this unit.

Crocker

Last week the pupils of Room 2 were shown lantern slides entitled "Life in Changing New England." They saw views of the principal manufacturing cities, harbors, and farms of New England.

The students of Room 3 completed their scrapbook on ancient and modern farming. Each pupil collected information on ancient farming and farming in one of our states.

Saturday, April 28, Robert Bloom, Donald Roberts, and Ronald Watkins were Boy Scout messengers at the United Nations conference. On Monday the boys told about their interesting experiences and also about the many delegates they saw.

Pupils of Room 6 were sorry to hear that Patricia Grondel is transferring back to Salt Lake City.

Woodrow Wilson

Map exercises pertaining to the varied sections of the United States have been undertaken by Room 4.

The Revolutionary War, its causes, its heroes and its outcome is being studied by the seventh grade. The sixth grade is learning about the Middle Ages.

The sixth grade enjoyed a film this week entitled, "Behind the Cup." This picture demonstrated the planting of coffee plants through to the vacuum packing of the roasted, ground coffee.

The boys and girls are working especially hard because they're wondering about their report card grades. It has been fun to go over review lessons in spelling and arithmetic and to test their speed

Brownies Make Gifts For Mothers

The girls of Brownie Pack No. 8 are still working very hard on the gifts which they are making for their mothers.

They are planning an entertainment program which will be given at their regular meeting place at Mission and Theta streets, Thursday, May 17, 3 p. m.

Scouts Haul Lumber To Camp

George Ritter and George Robinson, together with Joe Straughan, have been hauling lumber to Camp Boy Joy on the average of three times a week. They worked all day Saturday, May 5 and made about six trips. The wood they hauled was donated to them by a San Francisco business firm.

They would appreciate donations of any kind, such as more lumber, furniture and springs that they can dismantle and make into some kind of small cots for the boys who will be staying out there at different times during the summer. They anticipate having about 60 boys at Camp Boy Joy at one time.

The Boy Scouts are still collecting local reptiles to put in their "Wild Life" window located on Mission street.

Denners of No. 8 Work on Costumes

The boys of Cub Den No. 8, Pack No. 141 are meeting at the home of Mrs. Orville Wallace, 122 Vista Grande avenue, Wednesdays at 7 p. m.

They are working on their Indian head dress and eventually hope to have their own Indian costumes complete in every detail. The boys will use them for entertainment purposes and parades.

All the Cubs attended a revival meeting, Wednesday, May 2, from 6:30 to 7:30 p. m. at the Grace Church of the Nazarene, Santa Barbara and Vista Grande avenues.

Rev. Wolpe officiated at the revival meeting, and their leader, Joseph Straughan as well as the boys enjoyed the meeting.

in reading and writing.

The low fourth is studying about two famous Spaniards who discovered Monterey Bay. They are, Gaspar de Portola and Father Junipero Serra. They think it likely that Junipero Serra boulevard and Portola drive in San Francisco were named in memory of these men.

Children of the high fourth and low fifth grades have been enjoying making braided rag rugs for their social studies unit, "Pioneers."

NEWS FROM JEFF HIGH SCHOOL

By Verna Moresco
J. N. S.

The food situation for the JNS overnight trip to San Mateo Memorial park, May 18, is being handled by Lois Rich and Bill Higgins, assisted by Miss Margaret Briggs, adviser.

Approximately fifteen members are planning to go on this trip. They will be accompanied by Miss Margaret Briggs and John McCarthy.

Two days of hiking, fishing, and swimming are anticipated by the "bugologists."

Attend Press Conference

Miss Barbara Schmidt, a member of the Jefferson faculty, and Miss Ruth Basso attended a press club meeting at the Press Club on Powell street, Sunday, May 6.

CSF Social

Members of the California Scholarship Society have purchased tickets to the Friday evening, May 11 performance of "Harriet," starring Helen Hayes, now at the Geary theatre.

The group will be accompanied by Walter Griffith, adviser.

An afternoon matinee to the "Desert Song" is also anticipated by the members sometime in May.

"Clothesline Hop"

The entertainment committee pasted another star on its "success" list after the last dance call-

ed the "Clothesline Hop" held Friday, May 4.

Of course, the decorations featured the usual blue Monday theme with clotheslines, washwomen, ironing boards, and scrubbing boards. In the center of the auditorium floor was a huge circular clothesline with clothes hanging on it.

The Indians of Rhythm played their best ever and everyone considered the evening well spent.

Next dance will be the Senior ball on June 1.

Old Clothes Drive

Tuesday, May 1, a variety program was held in assembly to "spur on" donors to the old clothes drive.

Participants in the program, were Barbara Gregor who played three piano solos, "Begin the Beguine," "Black and White Rag," and "Deep Purple;" Joan Randrup, Doris Richards, Beverly Farthing, dressed in white satin skirts and spangled blouses, who did a tap routine, and Henry Soso, accordionist, who played a medley of requested popular tunes.

The program was terminated with a "strip-tease" skit featuring Doris Hahn, Willadean Colby, Audrey Kusber, and Roberta Marable.

Senior Jinx Date

Just a reminder to students that the "talked about" senior jinx is scheduled to be presented Friday,

May 18 in an afternoon assembly.

The theme for the presentation is being "hushed" until the May 18 performance. Just one hint—it should be good!

News Notes

New and old members of the Jefferson Art club, otherwise known as the "Brushblots," spent a lovely day at Searsville, Sunday, May 6, sketching and getting sunburn.

New artists looking forward to initiation are Don Bortis, Byron Kimler, Elisa Paradiso, Barbara Scott, and Don Van Kirk.

Newest fashion on the campus for the boys and girls is a good golden sun-tan.

The Treasury flag flies again with the total for the month of April at 91 per cent.

The special Seventh War Loan drive for the school will be held June 5, 6, 7, but the quota set for the drive is \$1,000 a week. Each student is expected to bring in one \$25 bond.

Girl Scouts Plan Vacation

A program committee meeting of the Girl Scouts of Daly City was held at the home of Mrs. Muriele Pabst, 132 Oliver street Monday, May 7.

They are making plans for the Girl Scouts and the Brownies who are going to enjoy a week's vacation at the Monte Toyon Girl Scout camp near Santa Cruz, from July 28 to August 4.

Mrs. Muriele Pabst, program chairman, was hostess at a nose-bag luncheon enjoyed by the following ladies attending the meeting: Mrs. Cora Oberg, camp director; Mrs. Elsie Hesselein, dramatics; Mrs. Jean Lemon, nature and Mrs. Louise Buttle, arts and crafts.

Brownie Scouts No. 7

At the regular meeting of the Brownie Scouts No. 7, held at No. 4 firehouse, Peoria street, the girls made novelties for their mothers, in honor of Mother's Day, Sunday, May 13.

A Card days for the driver are tough but we can all stand them if they bring V Days nearer.

INVEST IN WAR BONDS AND HOLD THEM UNTIL MATURITY

There are many more Long Distance calls than before the war and more are in a hurry. But service keeps on being good for most people, most of the time.

Some lines, however, are carrying an extra heavy load and sometimes all lights are lit on a switch-board. Then the operator will ask your help by saying—"Please limit your call to 5 minutes."

Emery E. Rowley In Trustee Race

"I am running absolutely independently, have no political affiliations, have made no promises to anyone, and am seeking the office solely in the interest of the welfare of the children of the district."

This was the statement made this week by Emery E. Rowley, 19 West Cavour street, one of the two candidates seeking the office of trustee of the Jefferson Elementary School district at the election Friday May 18. If elected, Rowley will succeed Police Judge William J. Sweeney, who is not seeking reelection.

Rowley has two daughters, one attending Jefferson Union High school, the other Jefferson Elementary school in Colma. A resident of Daly City for more than ten years, he has lived at 19 West Cavour street for the past six years. Mrs. Rowley is a leader in the Brownie Scout movement in Daly City and is prominently identified with Parent-Teachers Association activities of the Jefferson Elementary school.

For the past two and a half years, Rowley was assistant district manager of the office of defense transportation. March 1st of this year, he opened his own offices at 445 Fulton street, San Francisco as a transportation consultant.

Rowley is opposed by L. H. "Larry" Comer, hardwood floor contractor of 159 Santa Cruz avenue in the coming election.

Sophie Sikeotis Weds Sgt. Cherle

Setting for the recent nuptial rites of Sophie Sikeotis and Top Sergeant Tony Cherle of Wisconsin took place at the Greek Orthodox church, 14th and Valencia streets, on Sunday, May 6 at 6 p. m.

The bride wore the traditional white satin dress and a long veil. She carried a white prayer book. Maid of honor was Betty Hickman and the bridesmaid was Mary Sanchez. They were frocked in very pale watermelon colored gowns. They carried bouquets of white carnations.

A reception was held at the held at the family residence, 3256 San Jose avenue and over one hundred guests were present. Sophie, on her wedding day, was also celebrating her 21st birthday.

After a short honeymoon at Carmel the bride will accompany her husband to Georgia where he will be stationed for the time being.

IT'S EASY TO THINK of your Victory Garden as just a little plot, not amounting to much in food production. BUT—do you know that last year America's little Victory Gardens, like yours, produced more than eight million tons of food? That was a big help in relieving the overworked farmer and the food packing plants. Let's do it again this year.

PRESERVE.....

WHEN YOUR CROPS come in, you may have a surplus of vegetables, fruits or berries—more than you need for daily meals. Be wise, be thrifty, be patriotic and can or preserve this surplus. Last year, home kitchens like yours, preserved almost three and a half billion quarts of vital food. Let's do it once more and help shorten the war.

PERSEVERE.....

LET'S ALL KEEP UP our efforts on the home front, even when the news is best from the battle fronts. It's going to take time to catch up with the waste of war, long after the last shot is fired. And home-canned goodies in the larder will be welcome as the boys come home. . . . When the dictators figured America would get tired, they didn't know about American perseverance.

NEWS OF OUR MEN and WOMEN IN UNIFORM

Corporal Frank X. Rivas, jr. of Co. G, 318th Infantry has been awarded the Bronze Star for heroic achievement in Luxembourg on December 24, 1844.

The Bronze Star was awarded to Corporal Rivas in connection with military operations against an enemy of the United States. On December 24 Corporal Rivas, a rifleman serving with an assault infantry company, observed a seriously wounded soldier lying on top of a small hill to his direct front. With utter disregard for his own safety, he crawled some one hundred yards under heavy enemy mortar and small arms fire and upon reaching the wounded man administered the necessary medical aid. He then picked up the soldier and carried him to a covered position. The bravery, determination, and unselfish devotion to duty displayed by Cpl. Rivas are in keeping with the finest traditions of the armed forces of the United States.

Corporal Rivas is the son of Mrs. Josephine Rivas, 409 Vista Grande avenue. He graduated from Jefferson Union High school in 1943, and entered the service March 4, 1943.

Headquarters, AAF Service Command, Italy—First Lieutenant Ralph E. Clark, 6275 Mission street, Daly City, now serving with the Army Air Forces in Italy, recently attended the Air Service Command school for vehicle maintenance. Lieutenant Clark, who is in charge of a fleet of trucks and special vehicles assigned to a quartermaster truck company, was employed as a salesman in San Francisco before joining the armed forces.

The overseas course in vehicle maintenance was conducted by the ordnance section of the Air Service command. This vital department has kept special AAF ground equipment in operation throughout the North African, Sicilian, and Italian campaign. It is currently responsible for nearly 50,000 vehicles of all types.

During the past two years many new improvements have been developed in U. S. war plants and on the battlefield, as well. Thus, the main purpose of the ordnance school was to bring transportation officers up to date on these new methods. Diplomas were awarded at the end of the course and the officers are now back with their own units, passing on the training they received at the aviation-ordnance school in Italy.

Major John D. McLaughlin, son of Mrs. L. M. McLaughlin of 180 Irvington street, now wears four bronze stars, for battle service in the European sector. A member of the ground forces, his unit has been in the thick of the fighting in France and Germany since D-day, he states in a recent letter to his mother, the first she has received from him in four or five weeks. His unit has been in the four major battles of the European campaign.

Major McLaughlin was called into service in February, 1941, as a member of the Army Reserve. His first promotion came three months later when he was promoted to staff sergeant, and then he rapidly worked his way upward to his present rank. He has been overseas for more than a year.

LEGAL ADVERTISING NOTICE OF ELECTION OF ELEMENTARY SCHOOL TRUSTEES

This election will take place on May 18, 1945.

Polls will be open from 6 a. m. to 7 p. m. at the Crocker School, Woodrow Wilson Elementary School and Jefferson School (Colma). One trustee will be elected.

By order of the Board of Trustees of Jefferson School District, San Mateo County, California.

LOUIS NAVA

Pub: May 3, 10, 17, 1945.

Mr. and Mrs. E. T. Vert, 193 Bellevue avenue, have received letters from their son, Cpl. S. E. Vert.

The first letter, dated February 5 and from New Guinea says that the mail has been very slow. He describes a native policeman, who wore a black dress with red fringe and tells how he carries his rifle, just the opposite from the American way. The policeman was very obliging and posed for several pictures. He states that it is very hot and that he is getting a good tan, but that he will appreciate civilization as never before.

The next one was a V-mail letter dated February 9, saying that it was some fun taking a shower aboard ship in the middle of the ocean. Saw his first palm trees on arriving at New Guinea, and that there are thousands of coconuts which are so heavy that they fall from the tree without warning, just missing a lot of the fellows.

He has built a 12 foot boat in his spare time and says that she is very seaworthy, and that he expects to be stationed there quite a while.

Another letter dated March 28, says that 12 of the fellows took a trip into the jungles, and visited several villages. "I wanted to take some pictures, but on account of the rain it was impossible. A few of the fellows went off by themselves and came back with a large stalk of fat bananas that they had traded for a pocket knife. These natives were so far from civilization that they could not speak English and were not interested in money. At one of the villages the natives got out their long drums covered with snake skin and did a song and dance."

In the letter dated April 18, he says that he receives the Daly City Record and enjoys it very much as he says he knows practically everybody mentioned. "We have a recreation room with radio, phonograph and a small bar. There is a party once a week with dancing. I am still enjoying good health, but will be glad to get back home."

M. Sgt. George R. Young, who entered the Army a little over three years ago, is now stationed in Paris, France.

Several letters have been received by different members of his family stating that he is enjoying good health and that he is stationed in a hospital there.

Sgt. Young attended and graduated from both General Pershing and Jefferson Union High schools.

He was married last December and his wife, Mrs. Margie Young, is now living with her folks in Salem, Washington, and she expects to visit in Daly City very soon.

An Eighth Air Force Bomber Station, England — Veteran of more than two hundred combat hours, Staff Sergeant Henry A. Sernack jr., 19, of Daly City, tail gunner on an Eighth Air Force B-17 Flying Fortress, has been awarded the sixth Oak Leaf Cluster to the Air Medal for "meritorious achievement."

Sgt. Sernack is the son of Mrs. Mary W. Sernack, 101 Shakespeare street, Daly City. He joined the AAF in January, 1943.

The gunner has participated in more than thirty of the Eighth Air Force's large scale bombing attacks on vital military and industrial targets in Nazi Germany. He has been on missions over targets at such places as Berlin, Merseburg, Dresden, Neumunster and Bremen in Germany. Recalling his most exciting mission, Sgt. Sernack said, "I will never forget the synthetic oil plant at Merseburg. We were hit by flak, and fell out of formation, and when bombs were away, the sky was full of them as they fell around us. We were lucky and didn't get hit, but it worried me plenty."

The sergeant is a member of the 487th Bomb Group commanded by Colonel William K. Martin of Ogden, Utah. The group is a unit of the Third Air Division, the division cited by the President for its now historic England-Africa shuttle bombing of Messerschmitt plants at Regensburg, in August, 1943.

ORDER TO SHOW CAUSE

No. 38460

In the Superior Court of the State of California, in and for the County of San Mateo.

IN THE MATTER OF THE APPLICATION OF LUCY IDA NOLI AND WILLIAM JOSEPH CAVALIERE, a minor, to change the name of William Joseph Cavaliere, a minor.

LUCY IDA NOLI and WILLIAM JOSEPH CAVALIERE, a minor, residents of the City of Daly City, County of San Mateo, State of California, have this day filed herein their application praying for an order of this Court changing the name of petitioner William Joseph Cavaliere to the proposed name William Joseph Noli.

IT IS ORDERED that all persons interested in the above entitled matter appear before the said Superior Court, Department No. 2 thereof, at the County Court-house, in the City of Redwood City, County of San Mateo, State of California, on the 4th day of June, 1945, at 10 o'clock a. m. of said day, to show cause, if any they have, why the said application for change of name should not be granted.

AND IT IS FURTHER ORDERED that a copy of this order be published in the "DALY CITY RECORD," a newspaper of general circulation printed and published in the said County of San Mateo, and four successive weeks prior to the said 4th day of June, 1945. Dated: May 2, 1945.

Fort George Wright, Washington—Pfc. Joseph A. Borelli has reported to the AAF Convalescent hospital here after a tour of duty in the Southwest Pacific theatre.

Pfc. Borelli served with the Army Air Forces Communications system. He wears the Asiatic-Pacific ribbon with bronze star and the Good Conduct medal.

At Fort George Wright, near Spokane, one of several convalescent hospitals of the AAF Personnel Distribution command, Pfc. Borelli will engage in almost any desired hobby or activity of his choice, from a study of the classics to sheet metal work, all planned to further his "decompression" from the strains and tensions of combat. Experience has shown that individualized treatment received in a convalescent hospital greatly shortens the time required for the combat veteran to again attain the highest state of overall fitness.

Pfc. Borelli is the husband of Mrs. Jennie Borelli, 6654 Mission street, Daly City.

ALL PERSONS CLAIMING ANY INTEREST IN OR LIEN UPON THE REAL PROPERTY HEREIN DESCRIBED OR ANY PART THEREOF. Defendants.

THE PEOPLE OF THE STATE OF CALIFORNIA:

To all persons claiming any interest in, or lien upon, the real property herein described or any part thereof, defendants, greeting:

You are hereby notified to appear and answer the complaint of ROBERT B. GAYLORD, SR., plaintiff filed with the Clerk of the above-entitled Court and City and County, within three months after the first publication of this Summons, and to set forth what interest or lien, if any, you have in or upon that certain real property or any part thereof, situated in the City of Burlingame, County of San Mateo, State of California, particularly described as follows:

The Southwesterly 1/2 of Lot 3 in Block 11, as designated on the map entitled "MAP NO. 2 OF THE PROPERTY OF THE BURLINGAME LAND CO., SAN MATEO COUNTY, CAL." which map was filed in the office of the Recorder of the County of San Mateo, State of California on February 20, 1905 in Book "D" of Maps at page 38 and a copy entered in Book 3 of Maps at page 55, more particularly described as:

BEGINNING at a point on the northwesterly line of Burlingame Avenue, distant thereon 260 feet southwesterly from the southwesterly line of Primrose Road, as shown on the map above mentioned; thence from said point of beginning and along said line of Burlingame Avenue, southwesterly 50 feet to the southwesterly line of Lot 3 in Block 11, as shown on said Map; thence running northwesterly and along said southwesterly line of Lot 3, 191 feet to the northwesterly line of said lot; thence running northeasterly, along said northwesterly line of said lot, 55 feet 1/2 inch; thence running southeasterly 191 feet 3 inches, more or less, to the point of beginning.

And you are hereby notified that, unless you so appear and answer, the plaintiff will apply to the Court for the relief demanded in the complaint, to-wit: That it be adjudged that the plaintiff is the owner of said property in fee simple absolute; that his title to said property be established and quieted; that the Court ascertain and determine all estates, rights, titles, interests and claims in and to said property, and every part thereof, whether the same be legal or equitable, present or future, vested or contingent, and whether the same consists of mortgages or liens of any description; that plaintiff recover his costs herein and have such other and further relief as may be meet in the premises.

NEWS OF OUR MEN—WOMEN IN UNIFORM

15th AAF in Italy—Grant R. Smith, 24, son of Mr. and Mrs. Ronald Smith, 258 Templeton avenue, Daly City, a pilot in the 328th squadron of the 325th P-51 Mustang fighter group in Italy, has been promoted to the rank of major.

A veteran of one and a half years of combat duty in the Southwest Pacific and eight months of service in Italy, Major Smith is credited with the destruction of three enemy planes in aerial combat; two Jap Zero's and one German Messerschmitt-109. He is credited with the destruction of six German locomotives and a great amount of railroad rolling stock by strafing.

Since entering combat in the Mediterranean Theatre of Operations he has flown more than 40 successful heavy bomber escort and fighter sweep missions over Greece, Germany, Austria, Yugoslavia, Czechoslovakia, and Italy. He is the holder of the Distinguished Flying Cross for "extraordinary achievement in aerial flight," and the Air Medal and nine Oak Leaf Clusters for "meritorious service in participating in sustained aerial operations against the enemy."

A graduate of the Jefferson Union High school and former employee of the U. S. Weather Bureau in San Francisco, Major Smith entered the Army in December 1941. He was awarded his pilot's wings in July 1942 at Luke Field, Arizona.

Conference Visitors Invited To See Chinatown Exchange

For the convenience of delegates, press representatives, and others attending the United Nations Conference the China telephone office, located at 743 Washington street in the heart of San Francisco's Chinatown, will remain open for visitors until nine o'clock each evening during the conference, according to Lyle M. Brown, division manager of the telephone company.

This is the only Chinese telephone office outside of China. The building, completed in 1909, follows traditional oriental architectural design, and all of the operators are Chinese. A special hand-lettered telephone directory is issued for the 2100 subscribers served from the office.

The office is operated by the Pacific Telephone and Telegraph company and is managed by Leo Kern, son of the founder of this quaint telephone center.

Dr. Carl Hoag Is Re-Elected Pres. Of Blood Bank

The San Mateo County Blood Bank has rounded out the third year of its existence with a record showing that 5436 residents have given 11,542 pints of blood. During the existence of the bank it has provided naval hospitals of the bay area with 2,454 pints of whole blood and 3,685 units of plasma.

These figures were announced following the annual meeting of the Blood Bank's executive committee and trustees held in San Mateo on Saturday at which time Dr. Carl Hoag was reelected as president.

Reelected also were U. S. Simonds jr., as vice-president; Mrs. Paul J. Hanzlik as secretary-treasurer; John D. Bromfield and Frank Schwabacher as directors. Other members of the directorate are Charles C. Sullivan and Dr. James F. Rinehart. Their terms for a two year period started last year, hence their not being up for reelection.

The annual report received Saturday by the Blood Bank officials showed that during the past year, ending April 28, a total of 4261 San Mateo County residents had been accepted at the modern blood bank as donors. Approximately 62% of the blood received from these donors went to military hospitals of the bay area as reflected in 1386 pints of whole blood and 1257 units of plasma sent to Oak Knoll hospital, Tanforan Navy hospital, Shoemaker Navy hospital, Dibble Army hospital and other nearby places where wounded and otherwise ill service men and women needed transfusions.

In addition to this service to the armed forces the San Mateo County Bank has on hand a total of 1205 units of plasma, stored in South San Francisco, San Mateo, Half Moon Bay, Pescadero, Daly City and Burlingame, to be drawn on at instant notice should large scale disaster strike.

When the bank was started each donor was assured that each contribution of blood would act as a credit to the donor or any member of his family.

In many cases blood has been given to civilian patients and some 600 of these, having failed to replace the blood furnished them, have in lieu thereof forfeited \$22.50 per unit. This amount constitutes the permanent reserve, to replace by purchase if necessary units of blood which individual donors have to their credit.

Exclusive of this reserve the liquid cash reserve today stands at \$15,165.44.

Tribute was paid to C. E. Piatt who, because of illness, will not continue to audit the Bank's books and make out its annual report. He contributed his work gratis and is succeeded by D. D. McClain.

Some 70 men and women contribute their service gratis to the Bank including Mrs. Hanzlik. Of her, the report sets forth: "In particular our thanks to Mrs. Hanzlik for the many hours which she spends in making this institution run so smoothly."

During the past year the service given to civilians included transfusions for service men's wives. This blood has been furnished without charge, even though they were in private hospitals.

County Taxes In Upward Trend

San Mateo county's final general county budget for the current fiscal year calls for gross expenditures of \$2,972,847, compared with a gross expenditure program for 1943-44 of \$2,685,862. California Taxpayers' association said today, making public its study of final budgets and property tax requirements of California counties.

Gross county tax requirement of \$1,490,136 for this year is \$115,488 more than the \$1,374,648 gross tax requirement for 1943-44. Subventions, surplus, and other nontax revenues for 1944-45 total \$1,482,711 compared with \$1,311,214 for last year. Salaries and wages, capital outlays, and provision for increased reserves were the main causes for increases in the tax requirement, the association found. Increased subventions and other nontax revenues and larger carry-over surplus, on the other hand, decreased the necessary local tax demand.

Mrs. Mary Conti Entertains Servicemen

Mrs. Mary Conti, 28 Knowles avenue, entertained three boys Sunday, May 6, at a spaghetti dinner.

The boys were Harry Miller, from Cleveland, Ohio; Jack Carson of Homewood, Illinois and Malcolm Ordway of Chicago. These boys have all seen action in the South Pacific and really enjoyed Mrs. Conti's hospitality.

Mrs. Conti has a guest book and when she entertains the boys they write their names in this book. She has over a hundred names already, and they are from all parts of the country. The boys always enjoy looking at this book to see if there is anyone from their own home town.

Marine Baseballers Play Here Wednesday

San Francisco Marines baseball team will return to its home diamond at Marchbanks park, Wednesday, May 16, meeting the Mare Island Navy Yard nine in a regularly scheduled Twelfth Naval District National League game.

At the present time, two of the Marines' four pitchers, Finck and Conn, are enjoying furloughs at their homes. With only two pitchers, Duplinski and Delahunt now available, Sgt. Don McShane, team manager indicated this week that he would not play the usual Friday practice game at the local diamond this week. A Sunday game may be scheduled, but it will probably be out of town, he said.

Blow-out Changes Plans For Cubs

A group of seven and eight year old boys, who belong to the newly formed Cubbie Band No. 141, started out on a picnic with Joe Straughan last Thursday, May 3 after school.

They had decided to go to Camp Boy Joy, but a blow-out changed their plans a little bit. They hiked up in the hills off of San Pedro road. The boys wanted to eat some lunch, but Straughan took the boys on a tour of some pig ranches so the boys were not quite so hungry for a little while. Later on they had their lunch at the Eucalyptus Grove.

Mr. Straughan having no way of fixing the blow-out, stuffed the tire with a pillow and some bur-lap and started on the way home.

The boys got the biggest thrill out of that and could hardly wait to get home and tell their families all about it. They had a grand

Junior College Canning Program Is Well Under Way

The canning season at San Mateo Junior College's community cannery is well under way, with the asparagus pack already far ahead of the total asparagus pack of 1944. The cannery has been open Friday evenings and Saturday mornings, with the housewives phoning ahead for reservations. Eight cents a can is the canning cost to the canner, for the sizes used at this time.

The canner furnishes her own produce, prepares it for cooking at the college cannery, and then is ready to go home, for the cannery seals the cans and does the cooking. The canning center phone number is SM 4-3788. Asparagus, peas, and cherries are some of the products to be canned in the near future.

time and are looking eagerly forward to another picnic.

Jeff Tracksters To Compete In Peninsula Finals

Members of the Jefferson Union High school track squads will determine whether 13 is lucky or unlucky at Stanford University's Angelo field Friday afternoon. That number of local athletes will return to Palo Alto to compete in the Peninsula League's track finals, starting at 2:30. These boys either won a right to compete in the finals by qualifying in the preliminaries last week, or are members of the 120 and 110 relay teams, competing for the first time. Other schools competing will be San Jose, Abraham Lincoln of San Jose, Palo Alto, Sequoia, San Mateo and Burlingame.

The 13 Indians who will make the trip are Al Francesconi, Gene Somers, Clay Thompson and Don Van Kirk of the 130s; Oscar Giusti, Pete Ramer, Eddie Gigli and Benny Greenough of the 120s; Mario Stanghellini, Walter Shannon, Gil Thompson, Gordon Cady and Jack McCaffrey of the 110s. Greenough and McCaffrey will be competing for the first time as members of their respective relay teams; the others won a right to return by qualifying in last week's trials.

None of the Indian unlimiteds qualified last week. A 14th lad, Bob Gregory of the Jeff 130's qualified in two events last week, but hit a snag in his class room work this week and has been declared ineligible. Gregory qualified in the 100 and 220 yard dashes last week, and was also a member of the Jeff 130 relay team, which had to be withdrawn because of his absence.

Anderson To Speak Over Radio Saturday

With the interest not only of the United States, but of the entire world, centering on the new President and Washington, D. C., the broadcast to be given Saturday afternoon, May 12, by Congressman Jack Z. Anderson will be of particular importance. Anderson's talk, which will be given over KQW at 3:30 p. m. and KHUB at 4:15 p. m., will deal with "Washington and the New President."

The attitude of the late President Roosevelt in regard to bringing the nations together for future security was well known. His meetings with Stalin and Churchill impressed upon the people of the United States the fact that he intended this country to accept her full responsibility for insuring a solidarity of action and unification of thinking unprecedented in the history of civilization.

Now, naturally enough, the country—and, in fact the entire world—wants to know where his successor, President Truman, stands, and how he will meet the enormous burden of responsibility that has suddenly fallen on his shoulders.

In his broadcast Congressman

Matoaka Council To Honor Great Officer

Wednesday, May 23, members of Matoaka Council No. 18, D. of P., will have as honor guest Past Great Pocahontas Tillie Cavagnaro who will represent the Great Pocahontas on that evening.

Special features, including a class adoption, have been planned by the committee in charge, an active part being taken by Mrs. G. Denevi of Daly City.

An invitation is extended to the great chiefs and members of the Degree of Pocahontas in the Bay area to attend the meeting.

Card of Thanks

Mrs. Lydia Talbot, 244 Westlake avenue, mother of the late Mrs. Thedford Matthews, (Eleanor Talbot), wishes to thank all the friends and neighbors who were so kind in her recent bereavement.

Three Games Slated Sunday At Local Diamond

Marchbanks park will really be a busy place this Sunday. Three games are slated for the local diamond the first one starting at 10 a. m., the others following at 12 o'clock and 2:30.

Opening the program at 10 o'clock will be Buzz' Shamrocks and Turf Club of San Bruno. Young Christian Workers and Campi's Tavern will clash at noon in a regularly scheduled "Big Rec" league game, and at 2:30, Harry Maloney's Longshoremen will clash with the Navy Point Tigers.

Possibly the feature game of the trio may be the noon contest. Young Christian Workers have broken even in two league games to date, while the Campi Tavern nine, turned back in its first two league starts, will be primed for its first victory.

Probable starting lineups of these two teams will be:

Young Christian Workers — Ignoffo ss; Stromberg lf; Heinbockel 3b; Klucznick c; Clifford cf; Remy 1b; Campolini rf; Maloney 2b; Mountaintes p. Campi's Tavern: Sutherland 2b; Tognetti 3b; Cook ss; Whitehorn lf; Ghilardi 1b; Kalar c; Armanino lb; Silva rf; Ralph Pinard p.

Last Sunday, Buzz' Shamrocks took over the fast O'Neill Drugs team 6 to 5 and those fans who turned out for the morning game may see a fast contest since the Turf Club is reputed to be "loaded" with the best players of the

Court St. Mary To Nominate Officers

A large group of the members of Court St. Mary No. 1155, Catholic Daughters of America received Holy Communion Sunday, May 6, at St. Mary's Cathedral. Members of all bay area courts and all state officers of California were also present.

After the mass members enjoyed breakfast at the Mission of Saint Benedict The Moor, at 1516 Lyon street.

At the regular meeting of Court St. Mary, No. 1155, C.D.A. to be held at Masonic hall, 17 Hillcrest drive, nomination and election of officers will be held, Thursday, May 17, 8 p. m.

The Youths Canteen, sponsored by Court St. Mary's, will hold their next dance Saturday evening, May 12, at Legion hall, 474 San Diego avenue.

Is Recovering

Mrs. Lillian Scheuter Clement entered Mary's Heip hospital where she was operated on Friday, May 4.

Mrs. Clement is getting along nicely and her many friends are wishing her a speedy recovery.

Your tires these days are tired. Keep them and yourself out of the hospital by driving slowly.

San Bruno area.

Management of the Shamrocks has announced the following lineup—O'Leary ss; McClinchy 3b; Bottome cf; B. Biggio lf; Hamilton c; Savage 1b; Bertolozzi 2b; Silva or Mallen rf; R. Biggio p.

HOW TO OBTAIN CANNING SUGAR

Consumers will obtain from, and apply to their local War Price and Rationing Boards, either by mail or in person for and on Form R-341.

SPARE STAMP NUMBER 13 from Book Four for each member of the family for which application is made must be attached to the application. (There will be no home canning sugar stamp in your ration book like last year.)

Not more than 8 persons in any one family may receive canning sugar—a maximum of 15 pounds per person or 120 pounds for any one family—coupons are issued for units of 5 pounds.

Be sure to answer application questions fully. It will assist your Board in determining the proper amount of Canning Sugar to be granted. Be sure to apply for sugar well in advance of the time you will use it. Immediate action on applications is not possible.

Five pound "Sugar For Canning" coupons must be endorsed before they may be spent.

Mother's Day—May 13

When daughters entertain on this day, good food and good values are important... for they are things mother understands.

What to do about Home Canning

One of the secrets of serving delicious family meals all-year-round is discovered in two magic words—"Home Canning". All the healthful goodness of fresh fruits and vegetables, preserved by a fool-proof method right in your own kitchen... it's smart... it's easy... it's patriotic! Listed below are a few of the practical pointers you'll need... and an offer of my new Canning Guide you won't want to miss.

CANNING SUGAR ALLOWANCE

1. 15 lbs. per person (limit of 8 persons per family or a maximum of 120 lbs.).
2. Maximum of 5 out of each of the 15 lbs. may be used for making jams, jellies, catsup, relishes, etc.
3. 15 lbs. of sugar may mean: Approximately 60 quarts of fruit (Government allows 1 lb. sugar per 4 qts. fruit).

My new Canning publication called *Step by Step Canning Guide* contains complete easy-to-follow directions for canning fruits, fruit juices, jams and jellies, tomatoes, vegetables, meat and fish, poultry and rabbit. Don't depend on out-of-date methods, or the advice of neighbors! Be safe! Avoid waste of time and effort! Know the approved methods of canning—pressure cooker and boiling water bath. Here are 12 pages, 8" x 10 1/2", filled with up-to-date information on Home Canning, printed and profusely illustrated on heavy golden paper—an addition to your cookery bookshelf, or a handy kitchen pin-up. For real assistance in your 1945 canning, mail the coupon below, with 5c in coin, allowing several weeks for delivery because of the uncertainties of war-time transportation.

DRIVE
if you have your money in bonds to buy tanks, ships, war quickly!

It is money which this government asks you to lend—not to give. This year the government demands a greater investment in "E" bonds—the people's bonds—than ever before. One reason for this is that there will be only two drives this year instead of three as before. Another is that idle money in the pockets of the American people will bring inflation unless that money is invested.

Doubleheader Brings Thrills To Baseball Fans

Despite the absence of Ted Coffey, ace pitcher of Gordon Realty, a near capacity crowd at Marchbanks park Sunday afternoon, saw two interesting baseball games. In the feature game, a "Big Rec" league contest, Gordon Realty downed Regal Pales 6 to 3, with the preliminary game won by Teamsters 10 to 9 over Bear Photo Service, developing a highly thrilling final inning, in which the potential tying run was tagged out at the plate for the final out of the game.

Coffey, who is stationed at one of the army posts in San Francisco, secured a furlough last week, and went to his home in the east for a few days. In his absence, Johnny Lopeman, former Junior Seals right hander, hurled a good game for the Realty nine, scattering five hits over four innings, and keeping the Regal Pale batters well under control at all times.

Meanwhile Bill Morones, young Regal Pale right hander, set up a peculiar pitching record. In seven of the nine innings, he pitched to only 21 batters, but ran into trouble in the other two stanzas. In the fifth inning, four hits including doubles by Kelly and Grealish plus a base on balls gave Gordons five runs. In the ninth, singles by Kelly and Fucile and Clow's infield out scored the other Realty tally.

Lopeman hit a wild streak in the fifth inning, when he walked four Regal batters and these, coupled with Ferrigno's infield single, scored two runs. Johnny hit Stepovich, first Regal batter in the sixth, and the speedy Regal center fielder went to second on a wild pitch, scoring on Petrocchi's hot shot through second. Working carefully throughout, the Gordon hurler kept out of serious trouble in other innings, aided by some classy fielding on the part of his supporting crew.

Sunday's first game uncovered another pitching "Believe It or Not." Bear Photo Service used two pitchers, Pelligrini and Benard. The former will be charged with the defeat, but actually the Teamsters scored the winning run off Benard.

Pelligrini, who pitched the first four innings, left the mound with the score 8 to 5 in favor of the Teamsters. Benard after holding the winners hitless for two innings, was nicked for one run in the seventh, and one in the eighth—the latter tally eventually proving the winning run. However the Bear Photos did not succeed in tying the score after Pelligrini deserted the pitcher's box, so according to baseball rules, he will be charged with the defeat.

Dick Pera, 16 year old left handed son of the well-known "Cookie" Pera, worked on the mound for the Teamsters, and in seven of the nine innings hurled shutout ball. He blew up in the second, when he walked three batters, permitted three hits and uncorked a wild pitch, all of which netted the Bears five runs.

In the ninth, the Bears solved his deliveries for five hits, one a double by Coronel, which coupled with a walk and a hit batsman netter four runs for the losers. Fred Falconi trying to score from second base with the tying run on a single, was thrown out by inches at the plate for the final out, on a perfect throw from center field. A thrilling finish to a game that kept the fans on edge all the way.

Coronel led the losers at the plate with four hits in five times at bat, while McKinney, southpaw first baseman of the Teamsters slapped four singles on his first four times at bat.

Results of other "Big Rec" league games, played Sunday at Golden Gate park diamonds, were: Federal Outfitting 10, Grosso Music 4; Frank Newman 6, Western Pipe and Steel 2; Paul's Fountain 12, Young Christian Workers 5; Laundry Workers 11, Campi Tavern 8; Shipfitters—bye.

As a result, Gordon Realty, Federal Outfitting Co. and Frank Newman nines are still tied for first place, each having won all three games to date.

BRAKE BALANCE

Unequal automobile breaks are both dangerous and costly. Such a condition throws most of the stopping job on one or two tires, making for uneven brake pressure and causing irregular tire wear. Frequent brake inspections are advised.

Jeff Indians Take South City Scalp In 7-4 Win

Jefferson High School's baseball team wound up its 1945 season in a blaze of glory at South San Francisco Friday afternoon, handing the league-leading South City Warriors a 7 to 4 trouncing, and dumping them into a tie with San Mateo for the NPAL title. A tie that must be played off before either South City or San Mateo can meet the champions of the southern half of the P.A.L.

The Indians copped themselves third place in the final league standing, one game behind the two leaders. Jeff won five games and lost three, two to San Mateo and one to South City.

Although all the Indians played good ball Friday, Ben Parodi, Al Lagomarsino and Charlie Piccard were the outstanding players. Parodi and Lagomarsino each collected two hits, one of Ben's, a hot triple to the deepest part of left field. Lagomarsino wound up the game with an unassisted double play, grabbing a line drive and doubling a South City runner off first.

Piccard pitched very creditable ball all the way. With the exception of one inning, he kept the South City hits well scattered, struck out five, walked five and hit one batter. In addition, he made a peculiar batting record of his own, by playing through the entire seven innings without an official time at bat. He walked three times, and sacrificed Lagomarsino to second the other time.

Jefferson players ran wild on the bases, stealing nine bases. George Perada and Parodi led with two each.

The Indians scored first, in the opening half of the second inning, when they manufactured three runs out of two walks, an error and singles by Lagomarsino and Charlie Hicklin.

Piccard lost control momentarily in the last half of the second when he walked two batters, hit another and permitted Nutini to single to left field, one run scoring. He settled down, however, to cause the next two batters to pop to the infield.

His one bad inning was the third. Three singles and an error by Hicklin netted South City two runs and permitted them to tie the score.

But the tie was shortlived. Lagomarsino's second single, a hot grounder that escaped shortstop House's eager grasp, Piccard's sacrifice and Don Welsh's one bagger into center field put the Indians ahead 4 to 3 in the fourth—ahead to stay.

They iced the game in the fifth. Parodi started the fireworks with his triple and scored on an error. Wedel, running for Rutherford, who reached first on the misplay, and Milano followed Parodi around the bases, as the result of three bases on balls and a force out. Two of the walks were issued by Bellone, the third by Al Brandi, ace South City hurler who replaced him on the mound in this

PLANES ARE LIKE HOMES—THEY NEED "HOUSEKEEPERS"

Every passenger plane at United Air Lines must be spic and span before it takes off on its next flight. To do this job of housekeeping calls for the "woman's touch," for the inside of these planes is just like a home. The rugs and upholstery must be vacuummed and metal and glass work polished.

You start your "housekeeping" job as soon as the planes arrive. Some of the planes are Mainliners, and others are Army transport planes costing half a million dollars. You use the most modern, labor-saving equipment. No drudgery—nothing difficult about the work.

Housewives and other women between the ages of 18 and 45 and not over 150 pounds can qualify for this interesting work. Because United planes arrive at the airport nearly every hour of the day, you will be on shift work.

United Air Lines employee benefits include vacation with pay, insurance benefits, periodic wage review and a retirement plan. A modern cafeteria furnishes meals at cost to employees.

Apply in person at United Air Lines, San Francisco Airport, Bayshore Blvd., at San Bruno Avenue.

Seniors Win Inter-class Meet

The narrow margin of eight points separated the winning Seniors from the second place Juniors at the conclusion of the annual Inter-Class track meet at Jefferson Union High school Monday evening. The upper classmen scored 100 1-3 points, to the Juniors' 92 1-3. The Sophomores finished third with 41 1-3 points, and the Freshmen wound up last with 14.

The meet was run in two sections: boys of the unlimited and 130 classes competing in Class A; the 120s and 110s in Class B. The winning Seniors did most of their scoring in Class A, annexing 84 points to the Juniors 46 and Sophomores 9. The Juniors topped Class B with 46 1-3 points, the Sophomores were second with 32 1-3 and the Seniors third with 16 1-3. The Frosh scored all their 14 points in this section.

Results of the various events:

Class A.
Low hurdles — Art Valverde, Sr. and Paul Pizzi, Junior tied for first; 3rd—Don Van Kirk Sr., 4th—Thompson Sr. Time 18.5 sec.

High hurdles—Gene Sommers Sr. and Byron Kimler Jr. tied; 3rd—Valverde Sr.; 4th—Ray Chelone Sr. Time 10.3 sec.

High jump—Won by Geo. Curry, Soph.; 2nd—Wedel Jr.; 3rd—Bortis Sr.; 4th—Elbert Soph. No height recorded.

Pole vault—Won by Thompson, in.

The only Jefferson batter who got as far as second on Brandi was Parodi, who singled and stole in the sixth. But no one cared for the Warriors were having their troubles with Piccard's slants also, and although they managed to shove another run across the plate in the sixth, never threatened seriously to even up the score.

Diamond prospects at Jefferson for next season look good at this distance, as Don Welsh and George Perada are the only two Indians who graduate between now and then, according to Coach Marion Hall.

Sr.; 2nd—Van Kirk Sr.; 3rd—Burton Soph.; 4th—Shannon Sr. No distance recorded.

ELECT....

L. H. "Larry"

COMER

SCHOOL TRUSTEE

JEFFERSON ELEMENTARY SCHOOL DISTRICT

Election: Friday, May 18, 1945

L. H. Comer Is In Trustee Race

One of the two candidates running for membership on the Board of Trustees of the Jefferson Elementary School district at the school election Friday, May 18, is L. H. "Larry" Comer, widely known hardwood floor contractor of 159 Santa Cruz avenue, Daly City. He is contesting with Emery E. Rowley for the place vacated by the decision of Police Judge William J. Sweeney not to run for re-election. This is the only contest at this election.

Comer this week stated, if elected, his only interest will be serving for the betterment of the community as a whole. He has one son, who attends Woodrow Wilson Elementary school, and feels he is well qualified to judge the needs of the children of the district, and act accordingly.

He has resided in Daly City for the past twelve years, all of them at 159 Santa Cruz avenue. One of the organizers of the Daly City-Colma Lions Club, he is incoming president of that organization, slated to take office May 16.

During Civilian Defense days, he served as emergency ambulance driver, and has always been in the forefront in activities for the betterment of the community as a whole.

Den No. 2 Cubs Plant Victory Garden

The Cubs of Den No. 2, Den No. 6 and Den No. 8 worked on a Victory garden Tuesday and Wednesday of this week. The garden is located in a vacant lot on Santa Barbara avenue between Knowles and Hillcrest.

Some of the Cubs will have individual gardens that they will work by themselves, but most of the Cubs will work as a group on this project.

Card of Thanks

We wish to express our sincere thanks to the many friends and the Lasswell Mortuary for their kind expression of sympathy extended to us in our recent bereavement.

Work To Improve Girl Scout Camp

Preliminary clean-up work was started at the Girl Scout day camp Sunday May 6, Mr. and Mrs. Mattrup Jensen, who donated the camp site, were hosts for the day.

Sunday, May 20, the parents and friends of the Girl Scouts will again work to improve the camp. Anyone interested who would like to help is invited to come out and lend a helping hand.

The day camp, located near Colma, is sponsored by the Daly City-Colma Girl Scout council of which Mrs. Jensen is commissioner.

Those who went last Sunday to help included Mr. and Mrs. Jensen, Mr. and Mrs. E. E. Rowley, Ricco Lagomarsino, Mr. and Mrs. Oberg, Mrs. Lena Banfield, Mrs. Bridges and Mr. and Mrs. George Windhurst. A number of children were also present to lend a hand.

S. F. Marines Win First Place In League

San Francisco Marines ramracked their way to first place in the Twelfth Naval District's National league Wednesday at Mare Island when they blasted two Mare Island Marine pitchers for 13 hits and a convincing 11 to 3 victory. Corporal Ronnie De La Hunt, ace southpaw of the S. F. Marines set the Mare Island batters down with three hits and struck out ten men.

The San Francisco Marines return to their home diamond at Marchbanks park Wednesday, May 16, when they cross bats with the Mare Island Navy Yard nine, in another league game.

INDUCTED

Cubbies Take It All In Stride

Assisting Scout Master Joe Straughan in handling a group of Cubbies on a picnic trip Thursday, May 3, were cub scouts Harold Dimond, Clair Curry and David Guido. The three lads acted as lair leaders for the younger boys. Cubbies who made the trip were Robert Bridges, Billy Graves, Forrest Wilcox, Harry Bradley, Frankie Neuman, Dwayne Hall, Robert Dixon, Billy Fairchild, Robert Pool and Don Curry.

The group had an exciting time occasioned by a tire blow-out, which caused a change of plans for the trip. Instead of going to Camp Boy Joy as originally planned, the boys toured a number of pig ranches and ate their lunch at Eucalyptus Grove.

the couple will live in Barstow, California where the groom is stationed. The bride is employed at the Daggett Air base, in Daggett, California.

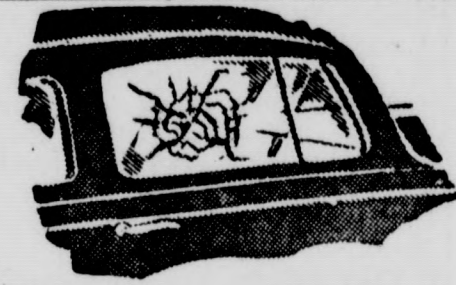

Burlingame Fire Chief Dies Tues.

Fire Chief Horace Lincoln Jansen of Burlingame, died Tuesday morning at 7:20 a. m. at Mills Memorial Hospital in San Mateo, from a heart ailment. Chief Jansen was a member of the Burlingame Fire department for 26 years, and became chief in 1942. He was 45 years old.

He was well known throughout the Peninsula, and at the time of his death, was serving on his second term as president of Peninsula Fire Chief's association. He was also an active member of the Burlingame Lions club.

He leaves a widow, three children, and a sister, Mrs. Laura Chiapellone of Burlingame. Funeral services were held Thursday afternoon from the Crosby N. Gray chapel, with interment in Cypress Lawn cemetery.

The best way, remarks the Highway Patrol, for the driver to get out of tight spots is not to get into them.

"OFF THE BLOTTER"

Accidents, thefts and other matters requiring the attention of the local police during the past week were:

Mrs. Geene, 663 Crocker avenue, phoned the police department and reported that someone had taken a plant that was in the front of her place.

On May 2, around 10:30 p. m. Mrs. Schilling, 526 Templeton street, reported that someone tried to enter her home and had tampered with the lock on the front door. Night officers were asked to check neighborhood while patrolling.

Marlene Anglin, 138 Evergreen avenue, was struck by a machine driven by George Ginilo, 16, 46 Prague street, at Moltke and Mission streets. After the girl was struck she ran to the home of Mrs. Schives where she was staying. She was taken to the Alemany Emergency hospital for treatment and examination and she was pronounced O.K. George Ginilo, who was accompanied in the car by his sister, said the girl darted in front of the machine when she got off the street car.

On Thursday, May 3 the burglar alarm was ringing in the Jefferson Union High school. Officer R. Petrocchi responded and found everything in order after he made a search of the school with Mr. Bogart.

R. Brauch, 350 Woodrow street came to the police department and asked for an ambulance to take his father-in-law, H. C. Emme, to the Community hospital on advice of Dr. Alexander Frazer. E. Bertelli and A. Brush took him to the hospital in the county ambulance. Two days later the Community hospital notified the police department that Mr. Emme had passed away and Officers R. Beecher and J. Welsh notified his daughter.

May 5 the police department was notified to send an ambulance to the home of Mrs. Loretta Quilan, 416 Santa Barbara avenue, to take her to St. Mary's hospital. E. Bertelli and A. Brush took her to the hospital in the county ambulance.

G. Colombini, 140 Moltke, while driving his car and in order to avoid hitting a dog, lost control of the machine and struck a fire hydrant at Vale and School streets. Officer A. Benassini responded and notified E. Kennedy

of the dater department who shut off the water.

Mrs. Montgomery, 126 Evergreen, stated by telephone conversation that while she was away nothing was disturbed in her home. Wanted to thank the police department for watching her place.

On May 6, H. Jacobsen, 268 P eoria street reported that he had lost his wrist watch from the running board of his car where he had left it while changing a tire.

On May 8, Armand Ferrals, 722 Niantic avenue had his car parked on Wellington avenue. Machine ran down the hill hitting and bending a sign in front of 3 Wellington avenue. Damage was very slight.

Mrs. Lillian Massina, 142 Los Banos avenue phoned the police department and said that a man dressed in a cowboy outfit grabbed her. Officers A. Benassini and J. Welsh responded and checked the neighborhood but were unable to find anyone.

Mrs. Dolle, 16 Sullivan street, Garden Village, phoned and asked if one of the officers could enter her home as she thought she had left the stove going. Officer G. Savage, after due authority, entered the home and found everything in order.

Dry Rubbers

Your rubbers and galoshes—wipe them off and keep them dry. Don't toast them too near the radiator or register. Same goes for that damp fur coat or leather jacket.

Obituaries---

Herman C. Emme

Herman C. Emme, 350 Woodrow street passed away at the Community hospital Saturday, May 5. He was the father of Mrs. Edna Brauch, who is a resident of Daly City, and of another daughter and son in the east. Remains were forwarded to Fairfax, South Dakota to be interred in the family plot.

Frederick Depenau

Frederick C. Depenau, 670 Hanover street, passed away Sunday, May 6. He was the father of George P. Depenau, U.S.A. and friend of Mr. and Mrs. R. Nittel. He was a native of Germany and a member of Eureka Lodge No. 6, Order of Hermann Sons.

Funeral services were conducted Tuesday, May 8, at 2 p. m. from the mortuary of W. C. Lasswell and company, 6154 Mission street. Interment was at Cypress Lawn Memorial park.

Traffic Fines

(Continued from Page 1)
Andres Ramirez.

The following paid fines of \$1.50 each for not stopping at arterial signs: Angelo Arata, Joe Davis, Marco Gazzaro and Alfred Duchein.

Overnight parking cost J. Kirkpatrick, \$1; Robert Vierra, \$1.00 and C. Kendall, \$1. On a muffler charge, Kenneth Hanson paid \$2.50.

On charges of allegedly being drunk in a public place, Karl M. Steigleder, El Camino Trailer court, forfeited his bail of \$10.

Frank Rehe To Sponsor Team

Frank Rehe, proprietor of Frank's Union "76" Super Service stations, has taken over the sponsorship of a junior baseball team. The team, composed of a dozen lads of from 12 to 15 years of age residing in the county line district, is being outfitted with blue and orange jerseys, with the words "Frank's Union '76' Service," and blue caps.

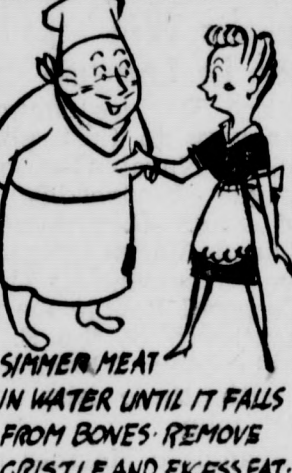

Under the management of "Babe" Aiello of 127 Wilson street, the team is now scheduling games with other teams of the same age, and will play at Marchbanks, Ocean View or Balboa parks. Games with teams from Colma

and Sharp's Park have already been tentatively scheduled.

In announcing the sponsorship of the team, Rehe said "I am doing this in order to give these kids something to do, and to combat the increased growth of juvenile delinquency in this area. It is my hope that other business men and service clubs in the Daly City-Colma area will follow suit, so that within a short time we can organize a Junior league in this area, composed of boys of this age group. Such leagues have been operated in San Jose, Menlo Park, Redwood City and other cities of the peninsula for several years, and have proved highly successful in combating juvenile delinquency in those communities."
